Greek Awards 2011 Winners

The Annual Greek Awards are based on the five Pillars of Excellence that include the shared core values of individual fraternities and sororities as well as that of the entire fraternity and sorority community. These Pillars include Values Integration, Brotherhood and Sisterhood, Civic Engagement, Intellectual Development & Academic Support, and Leadership Development. The Pillars of Excellence were created to challenge organizations to become more purposeful in their activities, provide more meaningful experiences for their members, and better align their organizations with their missions as well as the mission of Indiana University. The Councils will be encouraging chapters to incorporate the Pillars of Excellence into goal-setting and leadership development, as well as utilizing them in strategic planning. Council leadership will also be utilizing the Pillars of Excellence as they plan programs, create educational opportunities, and lead their council communities.

These outstanding chapters participated in all five awards categories to be eligible for the Overall Award of Excellence.
