2014 Greek Assessment and Awards Winners

Interfraternity Council (IFC)
Multi-Cultural Greek Council (MCGC)
National Pan-Hellenic Council (NPHC)
Panhellenic Association (PHA)

The Annual Greek Awards are based on the five Pillars of Excellence that include the shared core values of individual fraternities and sororities as well as that of the entire fraternity and sorority community. These Pillars include Brotherhood and Sisterhood, Intellectual Development, Civic Engagement, Values Integration and Leadership Development. The Pillars of Excellence were created to challenge organizations to become more purposeful in their activities, provide more meaningful experiences for their members, and better align their organizations with their missions as well as the mission of Indiana University. The Councils will be encouraging chapters to incorporate the Pillars of Excellence into goal-setting and leadership development, as well as utilizing them in strategic planning. Council leadership will also be utilizing the Pillars of Excellence as they plan programs, create educational opportunities, and lead their council communities.

Overall Winners for Awards of Excellence

These outstanding chapters received Excellence ratings in all five Pillars categories to be eligible for the Overall Award of Excellence. This recognition was awarded to the chapters that demonstrate excellent and/or exemplary achievement and uphold the ideas and values espoused by the organization, the IU Fraternity and Sorority community, and the Indiana University mission statement.
