- Eligible for CH 33 Post 9/11 GI Bill education benefits at the 100% level
- Be admitted as a non-resident degree-seeking student
- Active Duty service members, and their spouses using transferred benefits, are not eligible. This includes those on terminal leave. Your ETS date must be before the start of the academic term to be eligible for YR benefits.

Indiana University has agreed to award up to 50 students one half of nonresident tuition to be matched by the VA. Awards to qualified applicants are on a first-come first-served basis.

Students should submit their signed and dated application as soon as possible on or after 8am EDT on Tuesday, March 1, 2016, and follow up with proof of CH 33 eligibility.

Students must forward their Certificate of Eligibility (CoE) as soon as it becomes available.

Once selected for the Yellow Ribbon Program at IU, students will be funded each year they are in their current program of study (i.e. until their degree is awarded) AS LONG AS IU CONTINUES TO RENEW ITS AGREEMENT WITH THE VA EACH YEAR, and student has benefits available. IU has the right to reduce awards or discontinue the program at the end of each academic year.

Applicants must provide proof of application for the Post 9/11 GI Bill to be considered for the Yellow Ribbon award and must demonstrate proof of eligibility by providing their Certificate of Eligibility from the VA before any funds will be disbursed. For high school students, application must be submitted to the VA immediately after high school graduation.

Students must remain continuously enrolled each fall and spring semester to maintain their award. Exceptions will be made for those called up for military duty.

Students can be enrolled full or part-time and receive funding.
